Congressional VOTING Scorecard

107th Congress
2001-2002

National Retail Federation

Summary

The National Retail Federation has compiled a list of key votes affecting the retail industry during the 107th Congress. This voting scorecard will help our membership identify pro-retail legislators in the U.S. House of Representatives and the U.S. Senate.

NRF identified 13 key Senate votes and 18 key House votes, which were chosen based on the top legislative priorities determined by NRF's Policy Council. An explanation of these key votes and a chart showing how each member of Congress voted are provided. The votes are then calculated, resulting in a percentage that indicates how often each legislator voted with the retail industry. The scorecard is compiled at the end of each congressional session, allowing NRF to highlight consistent supporters of the retail industry.

NRF is the world's largest retail trade association with membership that comprises all retail formats and channels of distribution including department, specialty, discount, catalogue, Internet and independent stores. NRF members represent an industry that encompasses more than 1.4 million U.S. retail establishments, employs more than 20 million people — about one in five American workers — and registered 2002 sales of $3.6 trillion. In its role as the retail industry's umbrella group, NRF also represents 32 national and 50 state associations in the U.S. as well as 36 international associations representing retailers abroad.

If you have questions, or need further information, please contact NRF's Government Relations Department at (202) 783-7971, or visit our website at www.nrf.com.

United States House of Representatives

107th Congress
2001-2002

U.S. House of Representatives Key Votes

Vote 1

H.R. 333

Bankruptcy Abuse Prevention and Consumer Protection Act of 2001

Passed 306-108 March 1, 2001
House Roll Call No. 25, First Session

Fair, needs-based bankruptcy reform legislation long advocated by NRF to stem abusive bankruptcy filings. At issue are debtors who can afford to repay a significant portion of what they owe, yet choose to file bankruptcy and walk away from their debts. **NRF supported the legislation.**

Vote 2

S.J. Res. 6

Rejection of OSHA Ergonomics Regulations

Passed 223-206 March 7, 2001
House Roll Call No. 33, First Session

This legislation overturned ergonomics rules promulgated by the Occupational Safety and Health Administration in 2000 to regulate work-related musculoskeletal disorders. The scope and cost of the regulations were so large as to make them unworkable, and OSHA's one-size-fits-all approach would have undermined the highly successful, custom-designed programs voluntarily developed by retailers. In addition, the regulations were not backed by sound scientific facts. **NRF supported the legislation.**

Vote 3

H.R. 3

Economic Growth and Tax Relief Act of 2001

Passed 230-198 March 8, 2001
House Roll Call No. 45, First Session

This was the initial House passage of President Bush's $1.35 trillion tax relief plan, cutting individual tax rates across the board. Retail benefited from both business tax cuts and individual cuts that gave consumers more disposable income to pump into the economy. **NRF supported the legislation.**

Vote 4

H.R. 8

Death Tax Elimination Act of 2001

Passed 274-154 April 4, 2001
House Roll Call No. 84, First Session

This legislation phases out and repeals the federal estate and gift tax by 2011. NRF lobbied hard for elimination of this onerous tax on family-owned retail businesses as a leader of the Estate Tax Coalition. **NRF supported the legislation.**

Vote 5

H.R. 1836

Conference Report — Economic Growth and Tax Relief Reconciliation Act

Passed 240-154 May 26, 2001
House Roll Call No. 149, First Session

This was the final House passage of President Bush's historic $1.3 trillion tax cut package. The legislation included several provisions supported by the retail industry, including personal income tax rate reductions, estate tax repeal, and various other individual relief tax provisions. **NRF supported the legislation.**

Vote 6

H.J. Res. 50

Resolution Rejecting NTR for China

Defeated 259-169 July 19, 2001
House Roll Call No. 255, First Session

This resolution would have rejected a one-year extension of Normal Trade Relations status for China. China now has Permanent Normal Trade Relations status, making this vote the last year-to-year extension of NTR. **NRF opposed the resolution.**

Vote 7

H.J. Res. 55

Resolution Rejecting Finance Eligibility for Vietnam

Defeated 324-91 July 26, 2001
House Roll Call No. 275, First Session

This resolution would have denied continued export finance eligibility for Vietnam by rejecting President Bush's waiver of the Jackson-Vanik amendment. **NRF opposed the resolution.**

Vote 8

H. Amdt. 302 to H.R. 2563

Access Amendment to the Bipartisan Patient Protection Act

Passed 236-194 August 2, 2001
House Roll Call No. 328, First Session

This amendment offered by House Ways and Means Committee Chairman Bill Thomas included important provisions to make health insurance more affordable — especially for small businesses — through the creation of Association Health Plans as well as lifting the cap on Medical Savings Accounts. **NRF supported the amendment.**

Vote 9

H. Amdt. 303 to H.R. 2563

Liability Amendment to the Bipartisan Patient Protection Act of 2001

Passed 218-213 August 2, 2001
House Roll Call No. 329, First Session

This amendment offered by Representative Charlie Norwood reflected his compromise with President Bush to scale back and tighten the liability provisions of managed care reform legislation. Although this amendment was not a complete solution to all of the problems contained in the original legislation, it made a number of important improvements to the underlying bill, including limiting the right to sue, providing additional protections for employers, protecting ERISA preemption and placing caps on damages. **NRF supported the amendment.**

Vote 10

H.R. 3090

Economic Security and Recovery Act of 2001

Passed 216-214 October 24, 2001
House Roll Call No. 404, First Session

The Economic Security and Recovery Act of 2001 was an economic stimulus package containing numerous provisions supported by the retail industry, including bonus depreciation, acceleration of income tax rate reductions, and repeal of the alternative minimum tax. **NRF supported the legislation.**

Vote 11

H.R. 3009

Motion to Recommit

Andean Trade Promotion and Drug Eradication Act

Defeated 249-168 November 16, 2001
House Roll Call No. 447, First Session

This motion would have recommitted the Andean Trade Promotion and Drug Eradication Act to committee for further amendments rather than proceeding with a vote for passage. The bill would extend duty-free treatment to certain textile and apparel articles imported into the United States from ATPEA beneficiary countries (Bolivia, Ecuador, Colombia, and Peru) through December 31, 2006. NRF scored this motion to recommit because passage of the bill was by voice vote and not recorded. **NRF opposed the motion.**

Vote 12

H.R. 3005

Bipartisan Trade Promotion Authority Act of 2001

Passed 215-214 December 6, 2001
House Roll Call No. 481, First Session

This bill would give the President authority to negotiate trade agreements with foreign countries that are not amendable by the Congress. TPA requires Congress to give trade agreements a straight up or down vote within a set period of time. **NRF supported the legislation.**

Vote 13

H.R. 2341

Class Action Fairness Act of 2002

Passed 233-190 March 13, 2002
House Roll Call No. 62, Second Session

The bill takes a targeted, common sense approach to reforming rampant abuses in the class action lawsuit system. It establishes a "consumer class action bill of rights," including provisions for judicial scrutiny of non-cash settlements, protection against loss by class members, protection against discrimination based on geographic location, a prohibition on the payment of bounties, clearer and simpler settlement information, and pleading requirements. **NRF supported the legislation.**

Vote 14

H. Amdt. 453 to H.R. 3762

Miller Amendment to the Pension Security Act of 2002

Defeated 232-187 April 11, 2002
House Roll Call No. 90, Second Session

Sponsored by Representative George Miller, this amendment was a substitute to the Boehner Pension Security Act. The amendment would have greatly burdened employers with such provisions as limiting transaction suspensions to 10 days, allowing the sale of company matching stock after one year of plan participation, greatly expanding fiduciary liability, requiring elections of joint trustees and requiring prohibitively expensive insurance for fiduciaries. **NRF opposed the amendment.**

Vote 15

H.R. 2143

Permanent Repeal of the Estate Tax

Passed 256-171 June 6, 2002
House Roll Call No. 219, Second Session

This bill would have made repeal of the federal estate tax — which was temporarily phased out under President Bush's 2001 tax cut package — permanent. Under the 2001 law, the estate tax is being phased out over a 10-year period but will return to pre-2001 levels in 2011. **NRF supported the legislation.**

Vote 16

H.J. Res. 101

Vietnam Normal Trade Relations

Defeated 338-91 July 23, 2002
House Roll Call No. 329, Second Session

The resolution would have rejected President Bush's proposal to waive the requirements of Title IV of the 1974 Trade Act (also known as "Jackson-Vanik") and renew NTR status for Vietnam for one year. **NRF opposed the resolution.**

Vote 17

H.R. 3009

Trade Act of 2002 Conference Report

Passed 215-212 July 27, 2002
House Roll Call No. 370, Second Session

This vote approved the compromise reached between the House and the Senate on trade legislation. The compromise bill granted Trade Promotion Authority to President Bush, extended the Andean Trade Preferences Act, and expanded Trade Adjustment Assistance. **NRF supported the legislation.**

Vote 18

Rule for the Conference Report on H.R. 333

Bankruptcy Abuse Prevention and Consumer Protection Act

Defeated 243-172 November 14, 2002
House Roll Call No. 478, Second Session

The procedural vote setting rules for debate on the House-Senate compromise bill on bankruptcy reform was defeated 243-172, thereby preventing the House from voting on the compromise and killing the legislation for the remainder of 2002. The bill would have established created fair, needs-based reform long sought by the retail industry to stem abusive bankruptcy filings. **NRF supported the legislation.**

United States Senate

107th Congress
2001-2002

U.S Senate Key Votes

Vote 1

S.J. Res. 6

Rejection of OSHA Ergonomics Regulations

Passed 56-44 March 6, 2001
Senate Roll Call No. 15, First Session

This legislation overturned ergonomics rules promulgated by the Occupational Safety and Health Administration in 2000 to regulate work-related musculoskeletal disorders. The scope and cost of the regulations were so large as to make them unworkable, and OSHA's one-size-fits-all approach would have undermined the highly successful, custom-designed programs voluntarily developed by retailers. In addition, the regulations were not backed by sound scientific facts. **NRF supported the resolution**.

Vote 2

S. 420

Bankruptcy Reform Act of 2001

Passed 83-15 March 15, 2001
Senate Roll Call No. 36, First Session

Fair, needs-based bankruptcy reform legislation long advocated by NRF to stem abusive bankruptcy filings. At issue are debtors who can afford to repay a significant portion of what they owe, yet choose to file bankruptcy and walk away from their debts. **NRF supported the legislation.**

Vote 3

S. Amdt. 781 to H.R. 1836

Amendment Blocking Estate Tax Repeal in the Economic Growth and Tax Relief Reconciliation Act of 2001

Defeated 57-42 May 22, 2001
Senate Roll Call No. 158, First Session

This amendment offered by Senator Kent Conrad would have blocked the federal estate tax repeal provision of President Bush's 2001 tax cut package. **NRF opposed the amendment**.

Vote 4

H.R. 1836

Conference Report on the Economic Growth and Tax Relief Reconciliation Act of 2001

Passed 58-33 May 26, 2001
Senate Roll Call No. 170, First Session

This vote approved the House-Senate conference report compromise on President Bush's historic $1.3 trillion tax cut package. It included several provisions supported by the retail industry, including personal income tax rate reductions, estate tax repeal, and various other individual relief tax provisions. **NRF supported the legislation.**

Vote 5

S. Amdt. 810 to S. 1052

Gramm Amendment to the Bipartisan Patient Protection Act

Defeated 57-43 June 26, 2001
Senate Roll Call No. 197, First Session

This vote was on an amendment to the Patient's Bill of Rights sponsored by Senator Phil Gramm that would have exempted employers from the onerous liability provisions of the bill. Specifically, it would have excluded employers from lawsuits over the actions of the health plans they sponsor. NRF lobbied hard for this amendment in order to attempt to protect employer's ability to provide health insurance without facing massive new lawsuits with unlimited damages. N**RF supported the amendment.**

Vote 6

Motion to table

S. Amdt. 818 to S. 1052

Kyl Amendment to the Bipartisan Patient Protection Act

Passed 54-45 June 27, 2001
Senate Roll Call No. 200, First Session

This vote was on a motion to table an amendment to the Bipartisan Patient Protection Act offered by Senator Jon Kyl. The amendment would have clarified that independent medical reviewers could not require coverage for excluded benefits and to clarify provisions relating to the independent determinations of the reviewer. **NRF opposed the motion.**

Vote 7

S.1052 As Amended

Bipartisan Patient Protection Act

Passed 59-36 June 29, 2001
Senate Roll Call No. 220, First Session

Final passage of the Kennedy-McCain "Patients' Bill of Rights." The bill, if enacted, would have subjected health plans and employers to massive new lawsuits in federal and state courts, allowed for virtually unlimited economic, non-economic and punitive damages, undermined ERISA and allowed patients to circumvent the independent medical review process and go straight to court. Although some marginal improvements were made during the Senate consideration, **NRF strongly opposed passage of this legislation.**

Vote 8

H.R. 333 As Amended

Bankruptcy Abuse Prevention and Consumer Protection Act of 2001

Passed 82-16 July 17, 2001
Senate Roll Call No. 236, First Session

The Senate approved H.R. 333, the House-passed bankruptcy reform bill, after taking action on proposed amendments. **NRF supported the legislation.**

Vote 9

H.J. Res. 51

Bilateral Trade Agreement with Vietnam

Passed 88-12 October 3, 2001
Senate Roll Call No. 291, First Session

This resolution ratified a bilateral trade agreement between the United States and Vietnam, a first step toward extending Normal Trade Relations status to Vietnam. **NRF supported the legislation.**

Vote 10

S. Amdt. 2155 to H.R. 1552

Motion to Table

Senate Amendment to the Internet Tax Nondiscrimination Act

Passed 57-43 November 15, 2001
Senate Roll Call No. 341, First Session

This vote would have blocked consideration of an amendment strongly supported by NRF that would have made the Internet tax moratorium permanent on access taxes, extended the moratorium for five years on new, multiple or discriminatory taxes, and included language that would have provided a legislative roadmap for state sales tax simplification, and congressional authorization for states to require remote sellers to collect sales taxes. **NRF strongly opposed this motion to table.**

Vote 11

Motion to Table

S. Amdt. 3408 to S. Amdt. 3401 to H.R. 3009

Dayton-Craig Amendment to the Trade Act of 2002

Defeated 61-38 May 14, 2002
Senate Roll Call No. 110, Second Session

The amendment would have severely limited application of Trade Promotional Authority granted to the President by Congress. **NRF supported the motion to table the amendment.**

Vote 12

S. Amdt. 3833 to H.R. 8

Permanent Repeal of the Estate Tax

Failed 54-44 June 12, 2002
Senate Roll Call No. 151, Second Session

This vote required 60 votes for passage. This motion would have allowed the full Senate to vote on the permanent repeal of the federal estate tax. **NRF supported the legislation.**

Vote 13

H.R. 3009

Trade Act of 2002 Conference Report

Passed 64-34 August 1, 2002
Senate Roll Call No. 207, Second Session

This vote approved the compromise reached between the House and Senate on trade legislation. The bill compromise granted Trade Promotion Authority to President Bush, extended the Andean Trade Preferences Act, and expanded Trade Adjustment Assistance. **NRF supported the legislation.**
