

Companies who provide goods and service to other businesses, such as equipment manufacturers, software developers, consultants, wholesalers, financial institutions and internet service providers are eligible for Associate membership in the Federation.

Under NRF's bylaws, each member must pay dues based on total annual sales volume as reported in the most recent fiscal year.

Please see reverse side for dues schedule.

Dues are payable in advance (in U.S. currency). NRF dues are not deductible as charitable contributions for U.S. federal income tax purposes; however, a portion of your dues may be deductible for NRF members as an "ordinary and necessary" business expense.
