The Honorable Charles W. Boustany, Jr.
U.S. House of Representatives
1431 Longworth House Office Building
Washington, DC 20510

Dear Dr. Boustany:

I write to lend the support of the National Retail Federation (NRF) to employer mandate repeal legislation you have introduced: H.R. 903, the American Job Protection Act. We strongly support your bill and urge that it be promptly adopted.

NRF has myriad concerns with and objections to the Affordable Care Act, even as our focus shifted to trying to help our members comply with the new law. Your legislation appropriately would repeal the employer mandate. We strongly supported your legislation in the 112th Congress and proudly do so again now.

Eliminating the employer mandate would greatly aid the greater retail community, which is heavily dependent on labor. One of every four jobs in the American economy is supported by retail, which would be jeopardized by the mandate effective in 2014. The employer mandate is already deterring job growth today at the expense of tomorrow's economy.

NRF commends you for introducing this legislation. We strongly support your efforts.

Sincerely,

A handwritten signature in black ink, which appears to read 'David French', is positioned above the printed name.
